

Get Involved Campaign

Over the past 30 years, Swiss Bear raised \$6.5 million to assist the City with public improvements. This public private partnership has been instrumental in development projects that added millions to the tax base in major rehabilitations and new construction.

We are proud of our track record and are excited about the projects we have in the works. To continue our work your financial help is needed.

YES! *I want to be a part of Swiss Bear's efforts to coordinate downtown's revitalization efforts by contributing to the following campaign (if more than one campaign is selected, please designate the contribution amount for each campaign):*

- Ship Hauling Machine – Maritime Artifact – Goal \$30,000
- Swiss Bear Annual Fundraising Drive – Goal \$25,000
- Grumman F-11A Tiger Aircraft – Goal \$50,000
- Swiss Bear's Story – Publication – Goal \$40,000
- MUMFEST 2011 – For information on sponsorship opportunities contact the Swiss Bear office.

For more information about individual projects, go to the **Projects page** on our site.
